Our Capabilities

Goodwill Industries of San Antonio manages over 40 contracts a year, ranging from groundskeeping and custodial maintenance, to document management for national and state government agencies such as Homeland Security and Department of Defense, to

packaging for entrepreneurs and businesses. Our commitment to quality and customer service has earned us over a 90% satisfaction rating for multiple years with our customers. In addition, our scale of work can accommodate your every need, as Goodwill of San Antonio is proud to be the 4th largest contract services provider in the nation, amongst nearly 200 other Goodwill locations.

Whether you need assistance in groundskeeping, recycling, custodial or HVAC maintenance, Goodwill's team is prepared to provide quality service. Our approach of utilizing resources effectively has resulted in strong growth over the years, as well as strong forecasts for the future.

Goodwill extends an open invitation for an on-site tour of our services. Our team welcomes the opportunity to meet with you and provide first-hand access to the dedicated, enthusiastic and capable labor force at Goodwill.
