Our Fiesta Medal has a Mission: Create Jobs

Just as Fiesta celebrates our local community, so does Goodwill San Antonio. For 72 years, Goodwill has served the greater San Antonio area through our mission to *help change lives through the power of work.*

When we designed the 2017 Fiesta Medal, we wanted it to not only embody the festive spirit of Fiesta, but to also speak to our mission. We drew inspiration from our job creator illustration which shows how your donations change lives: "Donate Stuff. Create Jobs."

Your donations are transformed into life-changing opportunities through our [Good Careers Academies](#) and [Good Careers Centers](#). Goodwill helps individuals gain independence through job search assistance and free career services. Additionally, the communities' youth gain skills for tomorrow's workforce and Veterans receive assistance transitioning from the military to civilian life.

Goodwill - Helping to Close the Digital Gap

Through ConnectHome, a federally funded digital inclusion initiative, SAHA, Goodwill and other community partners are joining forces to promote digital inclusion. This initiative aims to provide computers, broadband access and digital training to residents in assisted housing.
