# Pharmacy Technician Program

## Pharmacy Technician

Offered at  
**GOOD CAREERS ACADEMY**  
703 Dolorosa

This program prepares students for entry-level employment in a pharmacy setting. It introduces students to the roles and responsibilities of a Pharmacy Technician in the retail, hospital, and institutional settings, as well as professional liability and ethics.

### ADMISSION REQUIREMENTS

Must be 18 years of age or older

Theft or drug related misdemeanors or felony may disqualify you for the State Certification Process

Valid State of Texas ID or Driver's License

High School Diploma or GED

Social Security Card

**Financial Sponsorships Available**

Consideration is given to the fundamentals of emergencies, infection control, record keeping, safety and hazardous materials, trade and generic medication and aseptic techniques.

Upon successful completion of the program, the student will receive a certificate of completion and may be eligible to apply to the State Board of Pharmacy for registration and may be eligible to test for the national certification exam.

Total Program Hours: **736**  
(includes 200 hour externship)

Program Duration: **29 WEEKS**
