Financial Sponsorships Available

Total Program Hours: **128**

Program Duration: **5 WEEKS**

This program prepares students for an entry-level position as a Nurse's Aide in a health facility.

Students learn the necessary skills to successfully complete the State of Texas skills and written examination.

Schedule: Monday-Thursday 8:30am-2:30pm

STUDENTS RECEIVE AN INTRODUCTION TO:

- anatomy and physiology
- medical terminology
- infection control
- communication and interpersonal skills
- safety and emergencies
- patients' rights
- death and dying
- medical law and ethical treatment
- basic nursing skills
- patient care

Consideration is given to caring for the elderly, short-term patient care, caring for surgical patient or ambulatory patient, and caring for the terminally ill.

Upon successful completion of this program, graduates may receive a CPR and First Aid certification, a certificate of completion and may be eligible to test for the State of Texas skills and written certification examination.
