" Thank you Good Careers Academy and Goodwill San Antonio for hiring great people that actually **CARE AND FIGHT** for those of us put in unfortunate situations of being unemployed or underemployed."

Michael turned to the Good Careers Academy at Goodwill San Antonio where he enrolled in the Commercial Driver's License Program.

With his tuition paid for and the financial burden lifted, Michael began the intensive, hands-on training that put him on the road to finding a good job and a new career. Days after passing his exams and graduating at the top of his class, he received multiple job offers and the opportunity to elevate his family.

With training from Good Careers Academy, Michael is now in the driver's seat providing a stable and secure future for his family.
