Christina

Christina became pregnant at 17, and with no parental support or guidance, withdrew from high school. She later obtained her GED and began studying to become a medical lab technician. DUAL GENERATION

The Dual Generation program connected Christina to Goodwill San Antonio's Good Careers Academy where she successfully completed Pharmacy Technician certification training.

After receiving assistance with tuition, scrubs, and immunizations, she completed the program in 2019. Today, as a married mother of four, she is employed full-time and on a path of financial stability for her family.

Through this partnership, Christina is on a path of empowerment, and is a role model of independence for her children.

Goodwill San Antonio partners with the United Way of San Antonio and Bexar County in the Dual Generation initiative.
